

TO THE CITIZENS OF MACON.

HEAD QUARTERS,

Macon, July 30, 1864,

The enemy is now in sight of your houses. We lack force. I appeal to every man, Citizen or Refugee, who has a gun of any kind, or can get one, to report at the Court House with the least possible delay that you may be thrown into Companies and aid in the defense of the city. A prompt response is expected from every patriot.

JOSEPH E. BROWN.

 **Report to Col. Cary W. Styles, who will forward an organization as rapidly as possible.**
